

Jeff Jones

Jeff Jones is a Certified Bio-Forensic Restoration Specialist[®] as well as a Certified Forensic Operator[®] with more than 46 years of field experience in Forensic Restoration[®]. He is a former U.S. Army Soldier, former SWAT team leader, and the youngest person to attend the FBI Academy in Quantico, Virginia. He is a past president of the Restoration Industry Association (RIA) and has served as chairman of its forensic council.

As an author, he is co-editor of the RIA Forensic Guidelines and is acknowledged in the ANSI/IICRC S540 Standard for Trauma and Crime Scene Cleanup. As an international Lecturer, Mr. Jones has recently taught forensic restoration and biorisk management in Croatia and Malta as well as to Ivy League emergency response teams in the United States.

A certified crime scene track investigator, he is considered one of the most experienced forensic restoration field operators in the world. Jones is one of the founding members of BioSheen Services LLC in Oklahoma and BioSheen of Texas, LLC.
