

Lori Jones

Lori Jones is a Certified Forensic Operator® as well as a Certified Bio-Forensic Restoration Specialist®. She is one of the founding members of BioSheen Services LLC in Oklahoma City, Oklahoma, BioSheen of Texas and co-author of the Restoration Industry Association's (RIA) Forensic Guidelines. Jones has years of experience in the forensic restoration industry that features an impressive resume of actual hands-on field work involving a vast array of incident sites. Having a background as a certified crime scene track investigator gives Jones a keen eye for detail.
