

New and Improved: GBAC ONLINE FUNDAMENTALS COURSE

Take the **GBAC Online Fundamentals Course** and become a **GBAC-Trained Technician**.

The pandemic brought to light the critical need for knowledgeable, properly trained cleaning professionals. By taking the course, you and your employees will be armed with the knowledge to help fight infectious diseases in the workplace.

Freshly updated with details on COVID-19, new equipment, and more, the self-paced education program focuses on three learning objectives:

*Understand the key principles of cleaning and disinfection for infectious diseases in the workplace.

*Identify tools and processes for successful cleaning and disinfection.

*Apply the proper procedures for cleaning and disinfection.

Individuals who successfully complete the course within 30 days become **GBAC-Trained Technicians**. This certification is for one year from the Global Biorisk Advisory Council (GBAC), a division of ISSA.

GBAC-Trained Technicians bring increased value to their employers and customers because they demonstrate the competency to carry out their responsibilities and have a higher commitment to the standards of excellence and continuous learning.
